AUDIENCE PROFILE

Built for these roles

Built for makers, business analysts, and citizen developers building canvas apps to address operational and workflow needs.

OVERVIEW

Executive overview

Applied skill-aligned program for creating and managing canvas apps with Power Apps for business process digitization.

PROGRAM OUTCOMES

Capabilities your teams will gain

- Strengthen delivery capability in canvas app development scenarios
- Apply Microsoft technology skills in task-oriented, real-world workflows
- Build stronger delivery confidence through scenario-based implementation practice
- Prepare teams for hands-on Microsoft applied-skill validation

ENTERPRISE CUSTOMIZATION

Enterprise customization

Tailor this program to your organization's priorities: Builds reliable canvas app delivery capability for teams digitizing business processes with Power Platform.

Customization options

- Align the workshop to your real business or technical scenario
- Add project-focused labs and implementation guidance
- Extend into adoption, governance, or production-readiness reviews
