Available on request

AUDIENCE PROFILE

## Who This Program Is For

Built for teams creating speech-enabled and conversational AI solutions.

PROGRAM SUMMARY

## What This Course Covers

Official NVIDIA DLI workshop on building and deploying conversational AI applications using NVIDIA speech AI tooling.

TAILORED DELIVERY

## Adapt the program around your team.

This outline can be adapted for virtual, on-site, or hybrid delivery, with emphasis adjusted for your team's platform priorities, role mix, and implementation goals.

### Enterprise-ready delivery format

VNode ITeS can align labs, examples, delivery pace, and assessment checkpoints to the required audience profile while preserving the official program sequence where applicable.

COMPLETE MODULE SEQUENCE

## Module Flow and Topic Coverage

The structure below presents the current delivery flow for this program, including the associated topics covered under each module.
