AUDIENCE PROFILE

Who This Program Is For

Built for teams applying transformer models to language applications.

PROGRAM SUMMARY

What This Course Covers

Official NVIDIA DLI generative AI workshop on transformer-based NLP application development.

TAILORED DELIVERY

Adapt the program around your team.

This outline can be adapted for virtual, on-site, or hybrid delivery, with emphasis adjusted for your team's platform priorities, role mix, and implementation goals.

Enterprise-ready delivery format

VNode ITeS can align labs, examples, delivery pace, and assessment checkpoints to the required audience profile while preserving the official program sequence where applicable.

COMPLETE MODULE SEQUENCE
