Configure and Govern Entitlement with Microsoft Entra ID

In today's digital landscape, managing access and entitlements is crucial for safeguarding sensitive information and ensuring compliance. This intensive one-day course offers a deep dive into Microsoft Entra Entitlement Management, Access Reviews, Privileged Access, and Monitoring. Participants will learn how to streamline access management with Entitlement Management, conduct thorough Access Reviews to maintain least privilege, manage high-risk Privileged Access, and implement robust Monitoring strategies to detect and respond to security events promptly. By the end of the training, attendees will be equipped with the best practices and actionable insights to enhance their organization's security posture.
